13. REQUESTED APPORTIONMENT
The school district named above hereby applies for the sum of \$ _____(The estimated cost of the project described herein), plus or minus any changes in the estimated cost as permitted by Regulation 1865.38 of the State Allocation Board, less other funds the Board may find to be available to the district for the project described herein.

If this request is for advance site and/or planning, the apportionment is made under the provisions of Education Code Section 17720 as follows:

Beginning in the fifth fiscal year following the fiscal year in which any apportionment is made pursuant too this section, the district shall repay the apportionment with interest, in ten equal annual installments, unless and until the district has qualified for an apportionment, pursuant to an application for utilization of the site and/or plans under this chapter. These repayments shall constitute rent and shall be in addition to any other rents or fees for which the district is obligated under Education code Section 17732.

14.
As a condition of approval of this project, elementary districts with more than 900 ADA, high school districts with more than 300 ADA or unified school districts with more than 1,200 ADA agree to establish a restricted account for exclusive purposes of regular maintenance and routine repair as outlined in Education Code Section 17714. Those districts further agree to deposit into this fund at least two percent of the district’s current year general fund and adult education budget, exclusive of amounts budgeted for capital outlay and debt service, each fiscal year, for the life of the lease agreement. Said deposits to be made no later than December 31, beginning in the fiscal year following the fiscal year the project was approved.
